Why does your organization want to join *No Patents on Seeds!*? Which goals does your organization want to achieve with the membership?
What does your organization expect from *No Patents on Seeds!*? Which benefits does your organization expect to achieve with the membership? (maximum of 500 characters)

Our organization is already formally and activelly cooperating with No Patents on Seeds! since 2015. The cooperation with an international organization reinforces the work and our strategy at the political and social level. Also it is a means of being more informed about the political and legal situation concerning patents on seeds, because currently, we (PTF) don't have the means to research on this subject by ourselves.

What can your organization contribute to *No Patents on Seeds!* and its goals? (maximum of 500 characters)

Our organization can contribute at the socio political level, raising awareness throughout our communication platforms, and also we can collaborate collecting signatures for our campaigns whenever it is needed. We can also keep our intermediate position in the process of communication and negotiation with our national political structures, like the National Institute of Industrial Property (INPI).

Would your organization be able to contribute financially to *No Patents on Seeds!*? ☐ yes ☒ no

Currently, we don't have means to contribute financially to No Patents on Seeds!
